

The Characters and Patterns of Judgment in Prophesied Future Events (With an Eye on the Day of Coverings/Atonement)

We are forewarned about a day and age in which satan will be working very effectively amongst the Called of Father. It is a time at the end of the age when his unrighteous deceptions, and bewildering falsehoods, will overcome even the elect, because many do not have a deep love for the Truth Once Delivered. When we see this taking place, we know our time is short to qualify to occupy the function of the Bride as the eternal helpmate in Father's household.

We need to ensure that we remain faithful to the Truth once delivered right to the very end, and in fact, be willing to give witness to any and all who ask us about: "the hope which is in us" under any circumstances, even unto death.

John sums up our responsibilities in this process in his book of final instructions to us.

Revelation 12:11 And they overcame him (satan) by the blood of the Lamb, and by the word of their testimony (the doctrines of Truth Once Delivered which they knew and could instruct others in), and they did not love their lives to the death (willing to continue even under imminent threat of dying because of it).

Yes, three very important criteria to complete our training to be part of the function of the Eternal Helpmate, the spiritual Eve to the spiritual Adam. In this venue and understanding, Paul warns us through his message to the Corinthian Church as follows.

2 Corinthians 11:2-4 For I am jealous over you with a jealousy of God. For I have betrothed you to one Husband, that I may present you a pure virgin to Christ. But I fear, lest by any means, as the serpent deceived Eve by his cunning craftiness, **so your thoughts should be corrupted from the purity which is due to Christ.** For if, indeed, the one coming proclaims another Jesus whom we have not proclaimed, or you receive another spirit which you had not received, or another gospel which you never had accepted, **you may well put up with it.**

You may ask, how can that actually happen?

Simple, just look to Mother Eve's episode with the serpent. She allowed another to come between her and her husband, and the explicit instructions Adam had given to her which he received from Yehovah. Once she allowed him to step in, he went for the kill to separate her from the Truths that Adam had passed on to her. Yes, she broke from the Truth once given to Adam. She broke the chain of custody of it because she allowed her vanity to overcome her duties to it. Our spiritual Husband, the Second Adam has given us all the instructions we need to overcome with to stay the course of Father's calling. To have our eyes opened to a deceptive attempt to separate us from our Second Adam's Truths once delivered. Many today are doing exactly the same thing.

Once again, in a warning to the Corinthian Church and thus to us!

2 Corinthians 11:13-15 For such are false apostles, deceitful workers, transforming themselves into apostles (ones sent forth) of Christ. And no wonder! For satan himself transforms himself into a messenger of light. Therefore, it is no great thing if his ministers also transform themselves into ministers of righteousness, whose end will be according to their works.

Oh yes brethren, this is happening throughout the churches. These false apostles (ones claiming to be sent by Christ), deceitful workers (using guile to subvert the Truth) use trickery and cunning craftiness to put doubt into the minds of those who do not have a good understanding of the **timeline of events** sequenced in the Plan of Salvation. Thus, they are easily tossed to and fro in their commitment to the Truth Once Delivered.

Unfortunately, that is the condition we find many in at this time. Their itching ears of ever learning and never coming to an understanding of the Truth has enabled them to accept another christ, one who is a false christ, because they had never established a personal one on one intimate relationship with Him as a spiritual Husband to be. However, the evil one and his messengers are relentlessly trying to feed those called by Father with another gospel, a fake and deceptive gospel, which is not found in the patterns of scripture, and for that matter not even in the languages in which the Inspired Word of God was originally written. That is one way they accomplish it, for satan has been busy rewriting key aspects of the Word of God through the Protestant Translators who use their pagan doctrines and mistranslations to accomplish the task **of the whole world being deceived**, just as scripture warns us in advance would happen. Little "c" Christianity has swallowed it all; hook, line, and sinker as the saying goes. Satan has them in the bag and he is focused on you and me in the body of Christ/Messiah now at this time, at the end of the age, for he knows he has but a little time, but thinks he can alter that by separating those chosen by Christ from having a stable and lasting intimate relationship with Him. He knows there is a specific number assigned to the Bride and if he can keep preventing it from being reached, he is a happy adversary even though completely deluded. His depths of vanity do not allow him to understand he is actually being used in the perfecting process of the Bride. For many, it is the ultimate test the adversary is **allowed** to do with them in an attempt to separate them from the Second Adam just like he was allowed to do with Mother Eve and the first Adam.

Please do not forget he used a surrogate and interloper, a messenger on his behalf to do so. That has not changed. The messenger was very slick and cunning in his approach. He slipped in the stumbling block and trap of doubt in the conversation by distorting just some, not all, of what Eve had been instructed in. In doing so he was appealing to her vanity. That is a pattern that has continued since then in both Marriage Covenants. The Truth Once Delivered has not changed, it is those who stray from it who change, for Christ/Messiah tells us He is the same yesterday (First Marriage Covenant), today (Second Marriage Covenant) and forever (The Kingdom).

Hebrews 13:8-9 Jesus Christ is the same yesterday, today, and forever. Do not be carried about with various and strange doctrines...

Yes, Christ/Messiah warned us that even the elect, the chosen, could be led astray at the end of the age. It is a sad thing to watch brethren who once knew and practiced the Truth slipping away into another gospel, full of false instructions about who our Betrothed is and was, for a false christ deception. But we are forewarned of this in many FMC (First Marriage Covenant) scriptures and patterns, that there will be fat lambs and lean lambs at the end of the age. The scriptures of the First Marriage Covenant (FMC) also prophesy to us that Christ/Messiah will judge between them. We see an account of that Judgment between the lambs of His body in Matthew the 25th chapter. You no doubt have read it many times and we will be addressing it later in this study from the FMC scriptures. But in our Second Marriage Covenant Scriptures in addressing the virgins, those who are the lambs of the Body of the Lamb of God, we are instructed about this actual prophesied event. It is found in Matthew chapter 25:1-13. Let's just see who are the fat lambs and who are the lean lambs of His body.

Matthew 25:8-9 Then all those virgins arose and trimmed their lamps. And the foolish (the lean lambs with little to no oil) said to the wise (the fat lambs full of oil) give us of your oil, for our lamps are going out.

This judgment scene in Mathew 25:9-13 between those who have been called by Father, and who have actually been chosen by Christ to go beyond the Milk of the Word, will take place, and in fact, has been taking place for all those waiting in the grave who have qualified to be part of the Bride under the terms and conditions of this SMC and the FMC terms and conditions as well. Is your intimate relationship with your spiritual Husband full enough to withstand someone trying to step in between you and Him? It has to be, or the door will be shut, and you will be left outside of the Wedding Ceremony. We need to be able to recognize Him throughout His scriptural roles. We need to keep our relationship with our spiritual Husband filled to the top. We must be prepared and ready, and our works must demonstrate that as well as our testimony of witness. It is not good enough to look good on the outside and be empty on the inside.

John gives us a very accurate accounting of this in Revelations.

Revelation 19:7-9 Let us be glad and rejoice and give Him glory, for the marriage of the Lamb has come, and His wife has made herself ready. And to her it was granted to be arrayed in fine linen, clean and bright, for the fine linen is the righteous acts of the Saints. Then he said to me, write: Blessed are those who are called to the marriage supper of the Lamb! And he said to me, these are the true sayings of God.

We must guard our relationship with our spiritual Husband, the Lamb of Father's household. We are of His body and thus lambs in humility as well if in fact we are **one** with Him. If we lose

sight of who He is through the scriptures and what actions represent His, we can be easily overcome by the incredible deceptive powers of our adversary and his messengers with their winds of doctrine.

Satan's assaults are relentless, and his messengers (false apostles and deceitful workers) also will appear as messengers of light in this endeavor to undermine your foundation in who and what your Husband is and how He is represented in the annual rehearsals of the **timeline** of the Plan of Salvation. The deceived messengers of these false winds of doctrines hate to hear any talk about a **timeline of events** which point to and explain the events of the future realities they represent. **Each and every one of the annual appointed times of meeting with our Elohim instruct us about what will actually take place in that future reality of that individual rehearsal**, or as many call them, festivals. There is a perfect sequence to them all and they are full of instructions of Truths Once Delivered.

There is no eviler an attempt at this time by satan and his emissaries to do that, than the wind of doctrine blowing throughout the Body, that on the Day of Coverings/Atonement that the two goats put forth for a **single** sin offering are both representative of Christ/Messiah. Unfortunately, that filthy falsehood is fostered by the messengers of an evil and adulterous generation of our time and of our Second Marriage Covenant terms and conditions.

We have a very lengthy article on the website addressing this evil and completely false doctrine presenting another christ, a false christ, a different gospel.

"The Day of Atonement is: A Day of Reconciliation and a Day of Separation!"

Today we are going to address it from the underpinnings and foundations of Truth in some of the prophesied Judgments of Christ, and when they actually take place in the timeline of the Plan of Salvation. It is very important to understand why we read about the continuing "symbols" in all of these Judgments. For instance, why do we see Judgments between lambs and lambs, and between rams and he-goats, and between sheep and sheep?

And why do we see specific animals selected to be sacrificed at specific times across the sequencing of the timeline of the annual rehearsals? Do not confuse them with the daily, Sabbath, monthly, and standard sacrifices assigned to each. We need to all have a good understanding of these things, so we are not easily led astray. We all need to fill our oil and keep it filled to sustain the assaults taking place on the lambs of the Body of Christ/Messiah at this time. Not just for ourselves, but also under the command that we are our brother's keeper. Oh yes, we are also to be dedicated mature **rams** protecting the younger lambs from the constant pushing and butting and defecations of satan's he-goats.

We will be talking about some specific Judgments relevant to some specific festivals, or rehearsals of future events as we call them, in the timeline of the Plan of Salvation today. First,

we need to learn about who is called a sheep, and who is called a goat, and for what reason they are called that, and what fates are associated with each. That all starts for us in Matthew 25:29-44.

For those of you familiar with the timeline of the Plan of Salvation you have come to understand that the events of Matthew 25:29-44 take place after the events of the Feast of Trumpets. However, many do not understand that this is when the Lake of Fire is brought into play. Let's clarify that one first.

The most important and relevant events of Pentecost, Trumpets, Coverings/Atonement, FOT, and Great Last Day/8th Day are recorded in sequential order in Revelation 19:6 through 20:15. In the instructions given by John here pertaining to the events of the Feast of Trumpets in verses 19:11-21, we find in verse 20 that the Beast and the False Prophet are thrown into the Lake of Fire.

Revelation 19:20** Then the Beast was captured, and with him the False Prophet who worked signs in his presence, by which he deceived those who received the mark of the Beast and those who worshipped his image. **These two were cast alive into the Lake of Fire burning with brimstone

Very obvious the punishment of the unrighteous who deceived so many will be up and running at this time of the Feast of Trumpets, as it should be. Everything in its own time. They no doubt had committed the unpardonable sin and their Judgment was not only decided, but also carried out. So yes, we have Judgment being undertaken at this time in the annual events of the timeline of the Plan of Salvation here in Matthew. You may not be aware of this truth. Many are not and they get all confused about when the Judgment of the unrighteous actually starts. This is its starting point under the terms and conditions of the SMC and it continues throughout up to the end of Revelation 20.

So, who is the Judge at this rehearsal of the reality of Trumpets in the timeline?

2 Corinthians is just one of the many which identify Him.

***2 Corinthians 5:10** For we all must appear before the Judgment Seat of Christ, so that each one may receive the things done through the body, according to what he did, whether good or bad.*

As a point of reference to the timeline events in sequence here in the verses of Revelation 19 and 20 it is important to mention the Judgment of the Bride has already taken place on Pentecost. Those who are in the Body and are judged worthy to be part of the functioning Eternal Helpmate in Father's household, will be either raised from the dead or changed in the twinkling of an eye to meet the Lamb of God in the air who is returning for her on the spiritual Jubilee of the Bride, of Spiritual Israel, on Pentecost the 50th day. Those events are also

recorded in Revelation 6:12 through 7:8 if you are not aware of it, as well as many other locations in the Bible. Then she returns with Him three and a half years later on Trumpets when the kings of the earth are arrayed against Christ/Messiah and His bride instead of hiding in every place imaginable from Him like described back on Pentecost in the previously mentioned scriptures above. We have volumes of literature written to that point on the website.

Here in Matthew 25:31-46, Christ is talking about a time after the Marriage Supper (which He spoke about earlier in the chapter). This is a time after the Bride has undertaken her position at His side as the Eternal Helpmate, the second Eve unto the second Adam as scripture details for us. You can read about that in Revelation 17:14, 19:14; Zechariah 14:5; Jude 14-15, and many other places in scripture which instruct us to this future reality. However, that is not the point of this study but is relevant to the timing of these events and identifying what has already transpired up to this point in the Plan of Salvation as depicted in these annual rehearsals of the appointed times of meeting. Being spoken about here in Matthew 25.

Now into Matthew 25

Matthew 25:31-32 When the Son of Man comes in all His glory, and all the holy messengers with Him, then He will sit on His throne of Glory (King of kings and Lord of lords). All the nations (wrong translation) will be gathered before Him, and He will separate them one from another, as a shepherd divides sheep from the goats.

We are sure many of you have been taught that this is depicting a time that comes after the FOT and during the LGD/8th Day. That is an error in the understanding of the timeline of specific events in the Plan of Salvation. There are many reasons why this error exists but let's just focus on the obvious one here in this translation from the NKJ.

The word translated nations here is Strong's #1484. It has a number of uses and definitions based on the subject matter and context. Being translated into the English word "nations" here is a mistranslation. Strong's tells us the following: "Ethnos probably from #1486, a race (as of the same habit) i.e., a tribe; specifically a foreign (non-Jewish) one (usually by implication pagan)."

Unfortunately, that can be misleading. The first part, the actual definition, is very accurate, but the summation of its application is not for it tends to give an all-inclusive understanding. But that is why we use 2 witnesses when evaluating the meaning and application of a word. For Greek we use Strong's and Vine's. For Hebrew we use Strong's, Brown Driver Briggs, and Vine's with its limited glossary of Hebrew words. Limited in the Hebrew section, but very thorough in explaining them and tying them to the other Semitic languages of the day and region. Never forget the true meaning of a Semite is a descendant of Shem. That has been hijacked by Judaism 140 years ago to represent something it never meant.

Now for Vine's definition and comments on #1484 Ethnos.

"Ethnos: originally a multitude," denotes

(a) "a nation" or "people," e.g., Matthew 24:7; Acts 10:35; the Jewish people, e.g., Luke 7:5; Luke 23:2; John 11:48, John 11:50-John 11:52; Acts 10:22; Acts 24:2, Acts 24:10, Acts 24:17; in Matthew 21:43, the reference is to Israel in its restored condition;

(b) in the plural, "the nations" as distinct from Israel."

Vine's accurately instructs us that this word ethnos is not only applied to nations in general but also to Native Israel past and present and also specifically to Gentile Nations. Of course, there are more scriptures which demonstrate the same thing, but these are sufficient to establish the fact that this word can be used to represent both Israel and Gentiles. That's important to us when we are reading prophesied events like we are in Matthew the 25th chapter. If you do not understand the sequence of such things and where they fit in the timeline of the Plan of Salvation as depicted in the keeping of the annual appointed times of meeting, holy days, festivals, you can be misled by someone who does not, especially when they identify such things as to who it is talking about.

The Judgment of the Nations, the Gentile Nations does not happen in the timeline until the very end, after Native Israelites have been restored to their rightful place among the nations of the earth and then it will be the Gentile Nations time of testing and that is why satan is released from his captivity of 1,000 years.

This Judgment here in Matthew 25 is directed entirely at Israel. That is inclusive of many of the descendants of Native Israel who have come under the Covenant. The timing of this Judgment starting is after the Day of Trumpets and ending the day before Coverings/Atonement. This is an 8-day period of time. It is a time of spiritual circumcision of the heart for the descendants of Native Israel who are called out of all the nations who have no idea of who they are and what their purpose was ordained to be so long ago. Here is one of the many places you apply, the first shall be last and the last shall be first. This event in the timeline of these 8 days is summed up very well in Ezekiel 20 and in other places as well in the Bible. Please read it closely before you move forward in this article for it is a game changing understanding of growing in favor, acceptance, and knowledge.

*Ezekiel 20:33-44 As I live, says the Lord GOD (ADONAY YEHOVIH), surely with a mighty hand, with an outstretched arm, and with fury poured out (just took place on Trumpets), I will rule over you. I will bring you out from the peoples and gather you out of the countries where you are scattered, with a mighty hand, with an outstretched arm, and with fury poured out. **And I will bring you into the wilderness of the peoples (not the Promised Land), and there I will plead My case with you face to face. Just as I pleaded My case with your fathers in the wilderness of the land of Egypt, so I will plead My case with you, says the Lord GOD (Adonay Yehovih). I will make you pass under the rod, and I will bring you into the bond of the Covenant; I will purge the rebels from among you,***

*and those who transgress against Me; I will bring them out of the country where they dwelt, but they shall not enter the land of Israel. Then you will know that I am the LORD (Yehovah). As for you, O house of Israel, thus says the Lord GOD (ADONAY YEHOVIH): Go, serve every one of you his idols, and hereafter you will not obey Me, but profane My holy name no more with your gifts and your idols (guess where they are going). For on My holy mountain, on the mountain height of Israel, says the Lord GOD (ADONAY YEHOVIH), **there all the house of Israel, all of them in the land, shall serve Me; there I will accept them** (only if circumcised of the heart, truly repentant), *and there I will require your offerings and the firstfruits of your sacrifices, together with all your holy things.* (Must once again go through the physical aspects of the terms and conditions of the FMC) *I will accept you as a sweet aroma when I bring you out from the peoples and gather you out of the countries where you have been scattered (if you obey Me); and I will be hallowed in you before the Gentiles. Then you shall know that I am the LORD (YEHOVAH), when I bring you into the land of Israel (after the National Jubilee on Coverings/Atonement but not in this 8 day prophetic period prior to it), into the country for which I raised My hand in an oath to give to your fathers. And there you shall remember your ways and all your doings with which you were defiled; and you shall loathe yourselves in your own sight because of all the evils that you have committed (this group actually had known who they were unlike their descendants called out from among the Gentile Nations). Then you shall know that I am the LORD (YEHOVAH), when I have dealt with you **for My name's sake, not according to your wicked ways nor according to your corrupt doings, O house of Israel** (all of it), *says the Lord GOD (Adonay Yehovih).*"**

What a wonderful event in the timeline. It has not yet taken place so do not think for a moment the folks occupying the general area in the middle east called the Country of Israel today is a fulfillment of this prophecy in Ezekiel. Not even close. Re-read all the criteria in it. This takes place prior to the Day of Coverings/Atonement which is the day in which the Jubilee for Native Israelites takes place. They are in the wilderness of the people prior to it and being instructed in what is right and what is wrong. They need to repent once instructed in righteousness before they come under the blessings which take place on Atonement/Coverings. It also includes a time period after Coverings/Atonement as well. Coverings/Atonement is the day in which the first group will be returned to their right of inheritance; family and land, which is the primary function of the Jubilee as described to us in Leviticus 25:8-17. Verse 10 speaks to the main event.

Leviticus 25:10 *And you shall consecrate the fiftieth year, and proclaim liberty throughout the land to all its inhabitants. It shall be a Jubilee for you; **and each of you shall return to his possession, and each of you shall return to his family.***

Yes, Israel will have the right to return to the Promised Land. But first they must demonstrate to Mighty El, the King of kings, and Lord of lords and the Judge of All that they will no longer be

rebellious. If they will not repent of their wrongdoing, they will not be allowed to enter the Promised Land. In fact, Judgment will be given, and they will cease to exist. Please remember the Lake of Fire is up and running at this time after the events on Trumpets.

This is all very important for us to understand in the sequencing of the timeline of the Plan of Salvation so that we can understand how prophetic events fit nice and neatly into it from the patterns they form in the Truth Once Delivered, the Holy Bible.

Now back to Matthew 25:33 and look at who is being Judged here by Christ/Messiah and what the criteria for Judgment is in deriving a conviction, and the fate, of the convicted. It is important to understand the symbolism of the two parties; one is represented as sheep and the other as goats. Very important to the timeline events as to Judgments being handed out. Remember patterns! And do not forget what John instructs us in his first epistle.

1 John 5:16-17 ...There is sin to death... ...and there is sin not to death.

Matthew 25:33 And He will set the sheep on his right hand and the goats on His left.

Notice the Judgment rendered to the sheep in verse 34:

Matthew 25:34 Then the King will say to those on His right hand, come you blessed of My Father, inherit the kingdom (what kingdom) prepared for you from the foundation of the world.

What is, and will be, the criteria used for judging by Him at that time?

Matthew 25:35-36 for I was hungry and you gave Me food; I was thirsty and you gave Me drink; I was a stranger and you took Me in; I was naked and you clothed Me; I was sick and you visited Me; I was in prison and you came to Me.

We are going to see that this judgment criteria is being used under both Marriage Covenant terms and conditions and clearly identifies who He is talking to here. It is not to the Gentile Nations, but to those of Israel who are without excuse.

Look at the humble attitude of these sheep in the next verses:

Matthew 25:37-39 Then the righteous will answer Him, saying, 'Lord, when did we see You hungry and feed You, or thirsty and give You drink? When did we see You a stranger and take You in, or naked and clothe You? Or when did we see You sick, or in prison, and come to You?

The King's reply to them in verse 40:

Matthew 25:40 And the King will answer and say to them, Assuredly, I say to you, inasmuch as you did it to one of the least of these My brethren, you did it to Me.
(Because they were all of His Body and they served all in humility not in dominion).

These people who were classified as **sheep** in this judgment, had fulfilled much of the resume of the Bride's qualifications as to works, described to us in Proverbs 31:10-31. They were willing to serve the entire family, Body of Christ, not just a portion of it. That is what is expected of us all. There is a physical application to these criteria which is applied to those who came through the FMC terms and conditions, and then a spiritual equivalent for those of us under the terms and conditions of the SMC.

Now for the goats. Our King cuts to the chase immediately with them in verse 41. Some will say, what no hearing? No right to challenge the Judgement? Don't they get a chance to repent? That's not fair!

Matthew 25:41 Then He will also say to those on the left hand, depart from Me (just like the goat representing satan on the day of Coverings/Atonement had to be completely removed from His sight), you cursed, into the everlasting fire prepared for the devil and his messengers. (Some of his messengers were already thrown in on Trumpets as we demonstrated from scripture earlier)

What happened to Mr. Nice Guy, little lord Jesus? He did not even give them a chance to speak prior to sentencing them to the Lake of Fire. That is important. That can only mean they had committed the **unpardonable sin**. They are without excuse and can't claim any type of ignorance. Watch, He now tells them what criteria He used to arrive at this decision and fate. This is certainly not talking about the Gentile Nations folks, for they are clueless to what is required for they have never been in that Covenant relationship in either Marriage Covenant until, and only if, Father called some of them individually under the terms and conditions of this SMC to draw them to His Son to complete the number that Native Israel was to have completed but fell short of.

Matthew 25:42-43 For I was hungry and you gave Me no food; I was thirsty and you gave Me no drink; I was a stranger and you did not take Me in, naked and you did not clothe Me, sick and in prison and you did not visit Me.

The same terms and conditions for Judging righteous behavior are used for Judging unrighteous behavior. **Each one is Judged according to his past works which is the fundamental foundation of Judging by our Elohim.** You will see this pattern spelled out wonderfully when we get to Ezekiel shortly. But first, let us sit in disbelief of what these arrogant people who are classified as **goats** had to say to the King of Creation and the Judge of all.

Matthew 25:44 Then they also will reply to Him, saying, Lord when did we see You hungry or thirsty or a stranger or naked or sick or in prison, and did not minister to You! (This is not a question from them, but a rebuking statement back at Him in defiance)

Our Savior, the King, and Judge already knew their hearts intent. Their works had left a very clear means of understanding what in fact they were all about. They liked to have dominion

over and butt the lambs and the sheep of His pasture, His Body. Times up, their sentence is carried out, no delay:

Matthew 25:45-46 Then He will answer them, saying, assuredly I say to you, inasmuch as you did not do it to one of the least of these, you did not do it to Me. **And these will go away into everlasting punishment, but the righteous into eternal life.**

We will see that the criteria used here, is exactly the same criteria used under the terms and conditions of the FMC as well. The symbolism of sheep and goats is critical to how we are looked at by our Elohim in such matters. They use it throughout the scriptures in simple symbolism.

Now let's go to the book of Ezekiel and get a detailed understanding of who these people are in Mathew 25: 31-46, and elsewhere for that matter. We will be reading through the entire 34th Chapter for it spells out the entire timeline and inclusive nature of both Marriage Covenants and Covenants of Peace towards those **who know Him**.

We will see 4 types of animals used to symbolize specific behavioral traits in the people involved with Him, both good and bad. Lambs #7716 seh (symbolic of humble sheep in attitude and actions who follow Christ/Messiah wherever He goes); sheep #6629 tson: (which is used of sheep that have wondered or have a wandering tendency); rams #352 ayil (two uses, one is good, and one is bad); and he-goats #6260 attud (always bad. These are billy-goats in their attitudes and actions).

*Ezekiel 34: And the word of the LORD (Yehovah) came to me, saying, son of man, prophesy against the **shepherds of Israel** (not talking to Gentile Nations), prophesy and say to them, thus says the Lord GOD (Adonay Yehovih) to the **shepherds: Woe to the shepherds of Israel who feed themselves! Should not the shepherds feed the flocks? You eat the fat and clothe yourselves with the wool; you slaughter the fatlings, but you do not feed the flock. The weak you have not strengthened, nor have you healed those who were sick, nor bound up the broken, nor brought back what was driven away, nor sought what was lost; but with force and cruelty you have ruled them** (where did we just read the same criteria for Judgments. And notice, here it is tied to how they ruled them with force and cruelty and identifies them by what nation they were). *So, they were scattered because there was no shepherd; and they became food for all the beasts of the field when they were scattered. **My sheep wandered** through all the mountains, and on every high hill; yes, My flock was scattered over the whole face of the earth, and no one was seeking or searching for them. Therefore, you shepherds, hear the Word of the LORD (Yehovah): As I live, says the Lord GOD (Adonay Yehovih), surely because My flock became a prey, and My flock became food for every beast of the field, because there was no shepherd, nor did My shepherds search for My flock, **but the shepherds fed themselves and did not feed My flock** therefore, O shepherds, hear the Word of the LORD**

(Yehovah)! *Thus says the Lord GOD (Adonay Yehovih): Behold, I am against the shepherds, and I will require My flock at their hand; I will cause them to cease feeding the sheep, and the shepherds shall feed themselves no more; for I will deliver My flock from their mouths, that they may no longer be food for them. For thus says the Lord GOD (Adonay Yehovih): **Indeed, I Myself will search for My sheep and seek them out** (Revelation 3:20, Luke 12:36-37). As a shepherd seeks out his flock on the day he is among his scattered sheep, so will I seek out My sheep and deliver them from all the places where they were scattered on a gloomy and dark day. And I will bring them out from the peoples and gather them from the countries (time period between Trumpets and Coverings/Atonement), and will bring them to their own land (eventually); I will feed them on the mountains of Israel, in the valleys and in all the inhabited places of the country (FOT). I will feed them in good pasture, and their fold shall be on the high mountains of Israel. There they shall lie down in a good fold and feed in rich pasture on the mountains of Israel (Native Israel returned to their rightful place as the chosen people and have the opportunity to make it all right before the eyes of the Gentile Nations and restore the name of God/Elohim to its glory). I will feed My flock, and I will make them lie down, says the Lord GOD (Adonay Yehovih). I will seek what was lost and bring back what was driven away, bind up the broken, and strengthen what was sick; but I will destroy the fat and the strong, **and feed them with Judgment** (Matthew 25). And as for you, O My flock, thus says the Lord GOD (Adonay Yehovih): *Behold, I shall Judge between lamb and lamb* (the Judgment of Pentecost using the same criteria for both. Lambs from both Marriage Covenants), *between rams* (ayil that have gone to the dark side) *and he-goats* (leaders who abuse the lambs and sheep). *Is it too little for you to have eaten up the good pasture, that you must also tread down with your feet the residue of your pasture, and to have drunk of the clear waters, that you must foul the residue with your feet? And as for My flock, they (are left to) eat what you have trampled with your feet, and they drink what you have fouled with your feet.* (As a point of interest, that is why we do not use a location of early barley if it has been trampled down by goats and sheep, for it is severely blemished and unfit for a Holy Wavesheaf Offering to start the Biblical Year). *Therefore, thus says the Lord GOD (Adonay Yehovih) to them: **Behold, I Myself will Judge between the fat and the lean lambs*** (Lambs are humble sheep who are little in their own eyes, but who also have the traits of a ram who will defend the widows and the fatherless just as Christ/Messiah did, has, and will do. We are their legal defenders in the Law, and now He turns back to the backward rams and the he-goats). *Because you have pushed with side and shoulder, butted all the weak ones with your horns, and scattered them abroad, therefore I will save My flock, and they shall no longer be a prey; and I will judge between lamb and lamb* (those who have repented in a humble and Truthful way from Native Israel and have upheld a relationship in Truth with Him). *I will establish one shepherd over them, and he shall feed**

them, My servant David (this is written long after David's death. It is speaking about the timing of the Millennium which begins on Coverings/Atonement with satan's imprisonment and is directed towards physical Israel) *He shall feed them and be their shepherd. And I, the LORD (Yehovah), will be their God, and My servant David a prince among them; I, the LORD (Yehovah), have spoken.* (But first) *I will make a **Covenant of Peace** with them, and cause wild beasts to cease from the land; and they will dwell safely in the wilderness and sleep in the woods* (This is talking about the time of real circumcision in the wilderness of the people during the 8 days between Trumpets and Coverings/Atonement). *I will make them and the places all around My hill* (His seat of Judgment clearly visible on the Sea of Glass that appeared on Pentecost symbolic of the Tabernacle of Meeting in the wilderness of Egypt) *a blessing; and I will cause showers to come down in their season; there shall be showers of blessing. Then the trees of the field shall yield their fruit, and the earth shall yield her increase* (it's surface was destroyed through blights, pestilence, and war to a great extent during the three and a half years of the great tribulation). *They shall be safe in that land; and they shall know that I am the LORD (Yehovah), when I have broken the bands of their yoke and delivered them from the hand of those who enslaved them* (number one is satan). *And they shall no longer be a prey for the nations, nor shall beasts of the land devour them; but they shall dwell safely, and no one shall make them afraid.* (Now here comes the Promised Land) *I will raise up for them a garden of renown* (the 4 day prophetic time period between Coverings/Atonement and FOT), *and they shall no longer be consumed with hunger in the land, nor bear the shame of the Gentiles anymore. Thus, they shall know that I, the LORD (Yehovah) their God, am with them, and they, **the House of Israel**, are My people, says the Lord GOD (Adonay Yehovih.) You are My flock, the flock of My pasture; **you are men, and I am your God,**" says the Lord GOD (Adonay Yehovih).*

We have just had the opportunity to read about the continuity of Truth as to some of the Judgments spread across the timeline of the Plan of Salvation. There is no misunderstanding who these animals here represent in the Judgments. This is talking about only members of Israel who had at one time been in a Covenant relationship with Yehovah. Thus, their works are legal evidence to be used in making a Judgment.

Now there are probably some of the members of the evil and adulterous generation here at the end of the age who are spitting poison at me if they have even been able to contain themselves to read to this point, but that is okay for I truly believe we are to follow the Lamb wherever He goes. He tells us, if they did it to Me, they will also do it to you, but only if we do what He did as an example. But you are calling us bad names! Only after the exact manner that Christ/Messiah did and still does in the pages of the Truth Once Delivered.

With all this information behind us we are ready to take a look at some of the events that have been so utterly twisted and turned upside down when it comes to the Feast of

The Characters and Patterns of Judgment in Prophesied Future Events
(With an Eye on the Day of Coverings/Atonement)

Coverings/Atonement as satan's messengers attempt to convince you about a false christ, another christ, and a different gospel.

In Review, at the time of the annual rehearsal of Coverings/Atonement our Lord and Savior has assumed the functions of Mighty El and Judge of All. His function as the Lamb has come to an end in the Timeline as He transitions to these other necessary functions of Father's Household. The transition is easy to see.

Revelation 19:11-16 Now I saw heaven opened, and behold, a white horse. And He who sat on him was called **Faithful and True**, and in **righteousness He judges and makes war (two things there)**. His eyes were like a flame of fire, and on His head were many crowns (responsibilities). He had a name written that no one knew except Himself. He was clothed with a robe dipped in blood (**symbolic of His sacrifice as the Lamb of Father's household, and many of the martyrs who also shed their blood in following Him in righteousness being of His body**), and His name is called *The Word of God*. And the armies in heaven, clothed in fine linen, white and clean, followed Him on white horses (**His Bride from the verses in Revelation 19 previous to these ones in sequence**). Now out of His mouth goes a sharp sword, that with it He should strike the nations. And He Himself will rule them with a rod of iron. He Himself treads the winepress of the fierceness and wrath of Almighty God. And He has on His robe and on His thigh a name written: **KING of kings and LORD of lords**.

The transition is complete as to the function of the Lamb in the Timeline of the Plan of Salvation unto the Mighty El and Judge of All. Don't lose sight of the fact He still holds the title and throne of the Lamb, and it will be mentioned again later on, but now He is having more prophesied titles and thrones added to it to complete His assigned functions of directing the events which occur in the balance of the timeline of the Plan. He now has assumed the functions of Mighty El and Judge of All. This all happens on the Feast of Trumpets and is firmly in place when we get to the feast of Coverings/Atonement.

At this point you may be asking why I call it the Day or Feast of Coverings. It's simple; many things are **covered over** on that day just as the Hebrew word kaphar means and is intended to mean. It is Strong's #3722; a prime root; to cover specifically with bitumen/black tar: figuratively to expiate or condone, to placate or cancel. (Just ignore the figurative part for that is from the Protestant Theological filter. We are focused on the actual meaning of the word, **its literal application**, not some term of the elites' religiosity language).

The literal meaning is simply this: **to cover so it can't be seen, to blot out what is behind it**. The Brown Driver Briggs tells us it simply means **to cover over** as well, but then falls into the trap of applying its figurative religious applications of pacify and make propitiation.

Vine's gives us a brutally honest explanation of this Hebrew word in their introduction to it.

[Kâphar (כִּפַּר, Strong's #3722), “to cover over, atone, propitiate, pacify.” This root is found in the Hebrew language at all periods of its history, and perhaps is best known from the term Yom Kippur, “Day of Atonement.” Its verbal forms occur approximately 100 times in the Hebrew Bible. Kâphar is first found in Gen. 6:14, where it is used in its **primary sense of “to cover over.”** Here God gives Noah instructions concerning the ark, including, “Cover it inside and out with pitch” (RSV). (The KJV translates, Pitch it within and without with pitch.) Most uses of the word, however, involve the **theological meaning** {only to those straying from the intended use of it which sends it into the realm of Protestant theology} of covering over, often with the blood of a sacrifice, in order to atone for some sin. **It is not clear whether this means that the covering over hides the sin from God’s sight or implies that the sin is wiped away in this process.]**

A brutally honest close out of this paragraph. They admittedly don’t know, they guess at it, but that is okay for not all are to understand the Mysteries (hidden Truths) of God as Paul tells us.

1 Corinthians 4:1-2 Let a man so consider us, as servants of Christ and stewards of the mysteries of God. Moreover, it is required in stewards that one be found faithful.

How is that accomplished?

1 Corinthians 2:10-12 But God has revealed them to us through His spirit. For the spirit searches all things, yes, the deep things of God. For what man knows the things of a man except the spirit of the man which is in him? Even so no one knows the things of God except the spirit of God. Now we have received, not the spirit of the world, but the spirit which is from God, that we might know the things that have been freely given to us by God.

It is clearly obvious, that at this juncture in the timeline of the Plan of Salvation, only those called by Father are given that “spirit of God” so they can understand what is necessary to move onto the next step of being drawn to His Son and then being chosen by Him to go beyond the Milk of the Word. Thus, they gain favor and acceptance in understanding the Knowledge Christ/Messiah has left for us to follow, the Truth Once Delivered.

Please watch how this very simple basic literal understanding can make the Truth of what is taking place in Leviticus 16 so absolutely clear. When combined with the understanding of what takes place with, and between whom in the timeline of the annual rehearsals, and the symbols used for Judgment, we are without excuse. So, if any of you “two goats represent Christ fans” are still reading, you may want to stop here. Fair warning folks.

Leviticus 16:1-8 Now the LORD (YEHOVAH) spoke to Moses after the death of the two sons of Aaron, when they offered profane fire before the LORD (YEHOVAH), and died (they had entered the Holy of Holies when they were drunk, and at a time they were forbidden to do so); and the LORD (Yehovah) said to Moses: Tell Aaron your brother not to come at just any time into the Holy Place inside the veil, before the mercy seat which is on the ark,

lest he die; for I will appear in the cloud above the mercy seat. (They could not use any excuse, even if they were inebriated)

Thus, Aaron shall come into the Holy Place: with a young bull as a sin offering, and a ram as a burnt offering. (Very important to the meaning and intent of instruction for this day, one young bull as a sin offering, and one ram as a burnt offering. They are not the same kind of an offering which we will address shortly). *He shall put the holy linen tunic and the linen trousers on his body; he shall be girded with a linen sash, and with the linen turban he shall be attired. These are holy garments. Therefore, he shall wash his body in water, and put them on. And he shall take from the congregation of the children of Israel two kids of the goats as a sin offering, and one ram as a burnt offering.* (Two kids of the goats for one sin offering. And now another ram for a burnt offering. Thus, we have two total rams on behalf of two different entities to be Burnt Offerings besides the one goat of the one sin offering).

Aaron shall offer the bull as a sin offering, which is for himself, and make (kaphar) a covering for himself and for his house (to blot out, cover over his sins and those of his family from the eyes of He who is sitting on the mercy seat. No ram's sacrifice mentioned yet).

He shall take the two goats and present them before the LORD (Yehovah) at the door of the Tabernacle of Meeting (not inside yet, very important). *Then Aaron shall cast lots for the two goats: one lot for the LORD (Yehovah) and the other lot for the scapegoat."*

Now, we need to address this very big deception taking place here of the Hebrew language being translated into an English word. But first, explain to a rational mind **if both kids of the goats represent Christ, are truly identical, why would Aaron need to draw straws?** They would both be exactly the same. He would be qualified to do so. But they are not the same, for **one is without blemish** and the other is not, the blemishes are not on the surface to be easily seen. One is representative of who has deceived the whole world. Thus, Aaron is incapable, not qualified to decide on his own, because he too has been deceived into sinning in the past by this master of deception and he needs that sin to be covered over himself. This being the case, it is very clear to see the priest's function here is not representative of our Savior, Christ/Messiah, as some in their delusional state proclaim. He was without sin. And anyway, He is sitting on the Mercy Seat conducting all of these events here in Leviticus 16 as King of kings, Lord of lords, and Judge of All! Do we get that simple Truth? Please don't lose that truth in this rehearsal in the timeline of the Plan of Salvation. It appears many have, and have thus been turned to another gospel, with another christ.

Look at how satan's Protestant Translator accomplices help him here. They take the Hebrew word Azazel #5799 meaning complete removal (from #5795 goats' hair, and #235 a prime root; to go away, hence, to disappear). That's right, not to be seen! Not even a hair of it! And

translate it as scapegoat. I would like to use the phrase “you can’t make this stuff up” but unfortunately, they have.

Merriam Websters says of scapegoat, that in its normal usage past and present: “**one that bears the blame for others, one that is the object of irrational hostility.**” Satan just loves that! That is what he tells the demons day in and day out. I’m taking the blame for things I never did. It’s not fair. And that is how he wants the whole world to envision him as well and uses the Protestant Translations and their bible’s over and over again to assist him in that delusion.

The Brown Driver Briggs tells us azazel means: “**ENTIRE REMOVAL.**” And that is exactly what it does mean; no partial, no measured amount short of total, but absolutely **complete removal.** This goat is somehow supposed to be representative of Christ/Messiah who is sitting on the Mercy Seat, symbolic of His throne and all the functions He carries out from it during all the previous rehearsals in the timeline and all the ones to follow, and now He is to be completely removed? Those who attribute Christ to this azazel are completely deluded. It only gets even more delusional as we progress through the events of this day to try and believe the lie of satan and his messengers about this wind of doctrine of theirs.

Let’s once again pick it up in chapter 16:9:

Leviticus 16:9 And Aaron shall bring the goat on which the LORD’s (Yehovah’s) lot fell, and offer it as a sin offering.

Once again, time for some Truthful Biblical facts to be reviewed here.

Leviticus 17:11 For the life of the flesh is in the blood, and I have given it to you upon the altar to make a covering for your souls; for it is the blood that makes a covering for the soul.

For a person to have his sins hidden from the eyes of the Elohim, blotted out from sight like putting tar over something, there must be blood shed on their behalf and then sprinkled on the altar and on the horns of the altar of incense, and once a year on the mercy seat in the Holy of Holies. Please watch, if there is no shed blood there is no sin offering, no covering of the sin, it is still completely exposed and as such with blemish and can’t come into the sanctuary.

Leviticus 4:3-12 These are the rules, not delusional winds of doctrines concerning sin offerings.

Leviticus 4:3-12 If the anointed priest sins, bringing guilt on the people (That is a big understanding folks. The Priests sin is not restricted to himself, it encompasses all the people. Well, that does not sound fair, right?), he must bring to the LORD (Yehovah) a young bull without blemish as a sin offering for the sin he has committed. He is to present the bull at the entrance to the tent of meeting before the LORD (Yehovah). He is to lay his hand on its head and slaughter it there before the LORD (Yehovah) {still not inside yet}. Then the anointed priest shall take some of the bull’s blood and carry it into

*the tent of meeting. He is to dip his finger into the blood and sprinkle some of it seven times before the LORD (Yehovah), in front of the curtain of the sanctuary. The priest shall then put some of the blood on the horns of the altar of fragrant incense that is before the LORD (Yehovah) in the tent of meeting. The rest of the bull's blood he shall pour out at the base of the altar of burnt offering at the entrance to the tent of meeting. He shall **remove all the fat** from the bull of the sin offering, **all the fat** that is connected to the internal organs; both kidneys with the fat on them near the loins, and the long lobe of the liver, which he will remove with the kidneys, just as the fat is removed from the ox sacrificed as a peace offering. **Then the priest shall burn them on the altar of burnt offering.** (Please listen to what happens to the rest of the sin offering) *But the hide of the bull and all its flesh, as well as the head and legs, the inward parts, and its dung, He must bring out all that's left of the young bull to the outside of the camp, to a clean place, where the ashes are poured (from the altar after burnt offerings), and burn it there in a wood fire in the place of the ashes (from the burnt offerings).**

These are the rules/laws of a sin offering. It has to be without blemish, it must shed its blood, the blood needs to be sprinkled inside the Tabernacles before Yehovah, (that would be tough if He is one of the goats) and what is not burned inside the Tabernacle must be hauled off to the clean location of the ashes of the burnt offerings, and then it all needs to be burned there.

It is going to be so easy for a rational mind, let alone one with the spirit of God/Elohim, to see that the goat of complete and total removal, the one being dragged off to a deserted captivity devoid of anyone else, is **not** a sin offering or representative of our Mighty El sitting on the Throne of Judgment **during this rehearsal of a future reality.**

Back to Chapter 16 once again.

***Leviticus 16:10** But the goat on which the lot fell to be the completely removed shall be presented alive before the LORD (YEHOVAH), to make **a covering upon it (not for it)**, and to let it go as the completely removed into the wilderness. (Remember wilderness #4057 has 2 main meanings and multiple uses. The one here is obviously not a "peaceful pasture for flocks and herds" by the context, but the other one; "an uninhabited land, a wilderness in which there is no man" BDB)*

Now we are given the actual sequence of these sacrifices and their purposes. Start in verse 11:

***Leviticus 16:11-22** And Aaron shall bring the bull of the sin offering, which is for himself, and make a covering for himself and for his house, and shall kill the bull as the sin offering which is for himself. Then he shall take a censer full of burning coals of fire from the altar before the LORD (YEHOVAH), with his hands full of sweet incense beaten fine, and bring it inside the veil. And he shall put the incense on the fire before the LORD (YEHOVAH), that the cloud of incense shall cover the mercy seat that is on the Testimony, lest he die.*

The Characters and Patterns of Judgment in Prophesied Future Events
(With an Eye on the Day of Coverings/Atonement)

He shall take some of the blood of the bull and sprinkle it with his finger on the mercy seat on the east side; and before the mercy seat he shall sprinkle some of the blood with his finger seven times.

Then he shall kill the goat of the sin offering, which is for the people, bring its blood inside the veil, do with that blood as he did with the blood of the bull, and sprinkle it on the Mercy Seat and before the Mercy Seat. So, he shall make a covering for the Holy Place, because of the uncleanness of the children of Israel, and because of their transgressions, for all their sins; and so, he shall do for the Tabernacle of Meeting which remains among them in the midst of their uncleanness. There shall be no man in the Tabernacle of Meeting when he goes in to make a covering in the Holy Place, until he comes out, that he may make a covering for himself, for his household, and for all the assembly of Israel. And he shall go out to the altar that is before the LORD (YEHOVAH), and make a covering for it, and shall take some of the blood of the bull and some of the blood of the goat, and put it on the horns of the altar all around. Then he shall sprinkle some of the blood on it with his finger seven times, cleanse it, and consecrate it from the uncleanness of the children of Israel.

And when he has made an end of Covering/Atoning for the Holy Place, the Tabernacle of Meeting, and the altar, he shall bring the live goat. (Please drink this sweet-smelling statement in deep folks. It is so very clearly instructing us that all the covering blood for blotting out sin was over, finished, in the sequence of events for this part of the function of the Day. But there are still two other events yet to take place. One is the function and destiny of the goat to be completely removed and the other is that of the 2 rams for the burnt offerings).

*Aaron shall lay both his hands on the head of the living goat, confess over it all the iniquities of the children of Israel, and all their transgressions, concerning all their sins, **and shall put them on the head of the goat**, and shall send it by the hand of a **timely one** into the wilderness. And the goat shall carry **for itself all their iniquities to an uninhabited land cut off**.* (Did we get that? All the sins of the children of Israel are carried away on the devil into his place of confinement where they cannot be seen any longer. This is after they were blotted out of the sight of Yehovah.) *And he shall send the goat away into the wilderness.*

Let's pause once again for a moment of reality. Let's bring up the completely ridiculous wind of doctrine that this goat here, which is supposedly somehow representative of the Mighty El, King of kings, Lord of lords, Judge of All, in a future **reality** is being dragged off to an uninhabitable confinement for 1,000 years. Of course, the deceptive messengers will scream out where does it say he is going to be confined for 1,000 years? Let's not even consider the rest of the absurd doctrine they spout out here like forgetting a **timely one** (correct translation

of the Hebrew) removing Him from all His functions and titles and thrones, and then putting Him in a place uninhabited by anyone else. Once again, you just can't make this stuff up. We will get to the 1,000 years confinement when we get to the description of this day in the timeline as it is sequenced in the book of Revelation. This goat representing satan did not have any Covering/Atonement **with blood** applied to it. Sins were placed on it. No blood was shed for it still has a purpose in the timeline of the Plan of Salvation. **But it was going to be Covered Over in the literal sense of the word.** But let's continue here in Chapter 16 with verse 23 before we get to the very descriptive event in our SMC scriptures.

Leviticus 16:23 Then Aaron shall come into the Tabernacle of Meeting, shall take off the linen garments which he put on when he went into the Holy Place, and shall leave them there. And he shall wash his body with water in a holy place, put on his garments, come out and offer his burnt offering and the burnt offering of the people, and make a covering for himself and for the people. (Aaron had to clean himself off after touching the filthy goat before he could proceed with the burnt offerings of the two rams which are complete burnt offerings).

Now some recap and additional information of the events of the day.

And he shall burn as incense the fat of the sin offering on the altar. And he who released the goat as the completely removed shall wash his garments and bathe his body with water, and afterward he shall come into the camp. And the young bull for the sin offering and the goat for the sin offering, whose blood was brought in to make a covering in the Holy Place, shall be carried outside the camp. And they shall burn in the fire their skins, their flesh, and their dung. And he who burns them shall wash his garments and bathe his body with water, and afterward he shall come into the camp.

Leviticus 16:29-34 This shall be a statute forever for you: In the seventh month, on the tenth day of the month, you shall afflict your souls, and do no work at all, whether a native of your own country or a stranger who dwells among you. For on that day the priest shall make a covering for you, to **make you bright** (taher #2892 a prime root with the literal meaning of **being bright**, thus no longer needing to be covered due to sin, because the source of them all assumes them as it should), *that you may be clean from all your sins before the LORD (YEHOUAH). It is a sabbath of solemn rest for you, and you shall afflict your souls. It is a statute forever. And the priest, who is anointed and consecrated to minister as priest in his father's place, shall make a covering, and put on the linen clothes, the holy garments; then he shall make a covering for the Holy Sanctuary, and he shall make a covering for the Tabernacle of Meeting and for the altar, and he shall make a covering for the priests and for all the people of the assembly. This shall be an everlasting statute for you, to make a covering/a blotting out of sight, for the*

children of Israel, for all their sins, once a year. And he did as the LORD (YEHOUAH) commanded Moses.

The blood of the slain sin offerings of the young bull and the kid of the goats without blemish, covered the sins of the priest, his family, and all the children of Israel from the sight of our Elohim. That is not the case with the completely removed goat is it! On this 10th day of the 7th month, a separation takes place between Native Israel and the perpetrator, the instigator, the originator of all their sins. He is the ultimate source of all sin, and with his ability as the prince of the power of the air, he is able to put evil thoughts in our minds. It is our task to not entertain them, but to usher them out, and that is only possible with the spirit of God/Elohim in us, assisting us. On the reality of this day of rehearsal satan will not only be separated from Native Israel for 1,000 years but all of their sins are taken away on his head where they rightfully belong, for he is the true definition of sin, the father of it.

And please take note that this rehearsal is no longer kept during the Millennium for its reality has taken place. Ezekiel 45:18-25 instructs us as to which of these annual rehearsals will be kept then. As to the 7th month it only lists one, and that is the FOT. No mention of Trumpets or Coverings/Atonement for their reality has already come and gone, no longer needed to rehearse them. For that matter you will find any mention of Pentecost either, or a lamb sacrificed at Passover. Witnesses in the Truth Once Delivered which speak to the reality and purpose of the annual festivals which we keep as rehearsals of their reality to come in the Timeline of the Plan of Salvation.

Ezekiel 45:25 In the seventh month, on the fifteenth day of the month, at the feast, he shall do likewise for seven days, according to the sin offering, the burnt offering, the grain offering, and the oil.

That's it for the seventh month folks. Some have questioned where is the 8th day for its reality has not taken place yet? All evidence of the evil one is completely removed during this time period. No mention of him so the effect of his coming will be an astonishment to all the Gentile Nations.

This separation is encoded in the life cycle of a woman. On the 10th day of that cycle, the ovum is reduced by half of its chromosomes. They are taken away on that day through meiosis and then are prepared for fertilization from a male sperm and its chromosome count to be added to it from day 15-21 of that cycle. We are without excuse for the timeline of the Plan of Salvation is written into our DNA cycle of life. You can read about that further on the website.

Back to the function of removing the blemished goat unfit to serve as a sin offering. The book of Daniel in Chapter 12:1 instructs us that Michael the Archangel, looks out over the children of Israel.

Daniel 12:1 At that time Michael shall stand up, the great prince who stands watch over the sons of your people...

Michael is the “timely one” or “one in time” who drags off Satan the devil and imprisons him. It is no big task for him, for at this time in the sequencing of the timeline he has already defeated Satan and thrown him to the earth. He actually does that just prior to the events of Pentecost.

Revelation 12:7-9 And war broke out in heaven: Michael and his angels fought with the dragon; and the dragon and his angels fought, but they did not prevail, nor was a place found for them in heaven any longer. So, the great dragon was cast out, that serpent of old, called the Devil and Satan, who deceives the whole world; he was cast to the earth, and his angels were cast out with him.

So, it is not any surprise we read about Michael and Satan in Revelation 20:1-3 which is spoken of in between the accounts of Trumpets and Tabernacles found there.

*Revelation 20:1-3 Then I saw an angel coming down from heaven (that’s Michael), having the key to the bottomless pit (uninhabited place) and a great chain in his hand. He laid hold of the dragon, that serpent of old, who is the Devil and Satan, **and bound him for a thousand years**; and he cast him into the bottomless pit, **and shut him up, and set a seal on him** (completely covered over, completely removed and so are all the sins of Native Israel), *so that he should deceive the peoples (Gentile Nations) no more till the thousand years were finished. But after that he must be released for a little while.**

Satan is bound and confined in a place which is covered and sealed for 1,000 years. He can’t use his abilities to plant sinful thoughts into anyone’s mind until the thousand years are over. But once released during the start of what we call the 8th day period of the timeline of the Plan of Salvation it will be a different story. The Gentile Nations now will have their turn to be humbled and tested. Here is just a sample in prophesy of that time.

*Ezekiel 38:7-11 Prepare yourself and be ready, you and all your companies that are gathered about you; and be on guard for them. (Why?) For after many days (1,000 to be exact) you will be visited (by the prince of the power of the air who has just been released from his 1,000-year captivity). In the latter years (those represented by the timeline of the 8th Day rehearsal) you will come into the land of those brought back from the sword and gathered from many people on the mountains of Israel, which had long been desolate; they were brought out of the nations, and now all of them dwell safely (the Promised Land during the 1,000 years). You will ascend, coming like a storm, covering the land like a cloud, you and all your troops and many peoples with you (The Gentile Nations, and why?). Thus says the Lord God (Adonay Yehovih): On that day (the start of the 8th Day, the testing of the Gentile Nations) **it shall come to pass that thoughts will arise in your mind, and you will make an evil plan** (Satan is planting these*

evil thoughts in their minds which had not existed for 1,000 years and look at the pattern of them wanting to pillage the weak and the helpless). *You will say, I will go up against a land of unwalled villages; I will go to a peaceful people, who dwell safely, all of them dwelling without walls, and having neither bars nor gates.*

Once again, we see a testing of a people to bring them to a place where they are humbled by the great deceiver and only after that can they be prepared to be circumcised of the heart, and thus the naming of this period of time in the timeline of the Plan of Salvation for all mankind, the 8th Day. These invading nations will be hammered down in the twinkling of an eye. No longer big in their sinful activities founded in the thoughts the devil had but into them. But no excuses after one thousand years of peace and safety. If they had thought they could have done a better job of it all, more than Native Israel had done, they are in for a rude awakening. And what an awakening it will bring about.

With all these clearly understood patterns in scripture, the Truth Once Delivered, I have recently read an article published on a church site in which the pastor was declaring that the event in Leviticus 16, in which the **Timely One who takes the filthy goat representing satan to an uninhabited place has nothing to do with the events of Revelation 20:1-3.**

That is just one more witness to the ability of our adversary to deceive even those who are called the elect/chosen at the end of the age. Once again, he is doing so with great efficiency and will be doing so to those who do not have a deeply founded love for the Truth Once Delivered. They will be overcome by strong delusions and wonders of falsehoods to be convinced of another gospel, with a false and fake christ leading it. Many of them do not believe Jesus the Christ/Messiah was the God/Elohim of the First Marriage Covenant times. That is a clear sign they are not in an intimate relationship with our Betrothed. This does not come as a total onslaught, but just enough to change the narrative from life unto death. Many of these folks hold similar truthful doctrines as we do, and that is also part of the deception from our adversary. Satan knows his trade very well, he has been practicing it for a long, long, time. He wants everyone to think he is the victim in the Plan of Salvation and works to that end. If he could convince 1/3 of the angels to rebel against our Elohim, whose presence they had actually walked in, we are sitting ducks unless Father and Son have kept us under Their favor and acceptance so we can grow in the knowledge of our Lord and Savior, Jesus the Christ/Messiah. Please do not be wandering sheep, for the evil one is stalking you.

So here we are once again as a Body being attacked from all sides with another wind of doctrine which is designed to be presented in a cunning way through the trickery of men. It is designed to make us stumble in understanding about the knowledge of the Son of God as to His measure and stature of fulness. Paul was so absolutely correct in his warning to us about this very thing so long ago.

2 Corinthians 11:2-4 *For I have betrothed you to one Husband (not two, as represented by the evil wind of doctrine), that I may present you a pure virgin to Christ (with our oil filled, lambs of His body, following Him, for we know His voice from that of strangers). But I fear, lest by any means, as the serpent deceived Eve by his cunning craftiness, so your thoughts should be corrupted from the purity which is due to Christ (no sin whatsoever on Him or in Him, in spite of what the deceived Protestant Translators say in their twisted grammar and words in their bibles). For if, indeed, the one coming proclaims another Jesus, whom we have not proclaimed, or you receive another spirit, which you had not received, or another gospel which you never had accepted, you may well put up with it.*

That is exactly what is in play at this time dear brethren. Be vigilant and hold fast to the Truth Once Delivered. Reject such filthy trash as the two goats represent one christ wind of doctrine. Do not let anyone steal your crown, and above all do not allow another to deceive you into extinguishing the spirit in you which will separate you from your Husband to be, our Betrothed at this time.

Keep safe in our Lord Jesus the Christ/Messiah and follow Him through all His functions of future realities in the keeping of the annual holy days, the rehearsals in the timeline of the Plan of Salvation. In doing so you will not be easily fooled and defrauded of the hope which is in you. One Christ, one Father, and one Bride to be. Anything else is a lie and a falsehood from the adversary and his messengers of cunning craftiness, in their winds of doctrines blowing through the Body.
